PETOL SLIM GRIP TONGS

PETOL SLIM GRIP TONGS are designed to meet the need when a “pipe wrench” with a torque rating is required to make up and break out connections having narrow gripping areas. The tongs are **self-adjusting** and ratchet easily. Simply stab the tongs onto the workpiece and you’re ready to go.

Equipped with hand grips for ease in placing the tongs on top of or underneath the workpiece.

CATALOG NO.	GRIPPING WIDTH	O.D.	HANDLE LENGTH	WEIGHT	MAXIMUM WORKING LOAD
SLG13	1.75"	2-3/8" – 4"	28"	44-1/2 lbs.	5,000 ft.-lbs.
