

# GEARENCH™

## PETOL™ FLANGE LIFTER

(Patent #8,434,800 and #8,434,801)

- ◆ **No lifting eye required**
- ◆ **Easy installation and removal of blind and weld neck flanges**
- ◆ **Safe**
- ◆ **Saves time and money**
- ◆ **Designed to comply with ASME Specifications B30.20 and BTH-1, Design Category B, Service Class 4**

- ◆ **Serialized and stamped with Load Rating**
- ◆ **Supplied with Data Book that contains operating instructions, warnings, load test certificates and MPI certificates**

The PETOL™ FLANGE LIFTER provides a safe and easy method of installing and removing blind and weld neck flanges. By eliminating the need to attach a lifting eye to the flange, the tool is both time and cost effective. Each flange lifter is load tested and magnetic particle inspected to ensure safety and quality.
